

501—8.1(80B) Minimum in-service training requirements. All regular law enforcement officers shall meet the following mandatory minimum in-service training requirements.

8.1(1) *Firearms training.* A regular law enforcement officer must qualify with all duty handguns annually on a course of fire approved by the Iowa law enforcement academy and must successfully fire a minimum score as established by the Iowa law enforcement academy. This rule applies to only those law enforcement officers who are authorized to carry handguns by their employing agency.

8.1(2) *CPR training.* A regular law enforcement officer shall maintain current course completion in cardiopulmonary resuscitation, AED and Foreign Body Airway Obstruction for all age groups according to national standards recognized by the Iowa law enforcement academy.

8.1(3) *General training.* In addition to the requirements of subrules 8.1(1) and 8.1(2), a regular law enforcement officer must receive a minimum of 12 hours per year, or 36 hours every three years, of law enforcement related in-service training. Whether training is law enforcement related shall be determined by the employing agency administrator.
